### November 2006 Canadian BioLink Delegation to Ireland

- **Matt Buist** <[mbuist@toronto.ca](mailto:mbuist@toronto.ca)>  
Manager, Business Development: Medical & Biotechnology, Toronto Economic Development Department, and Vice President of the Toronto Biotech Initiative (TBI) (BioLink Steering Group)
- **Frank Golden** <[frank.golden@microbix.com](mailto:frank.golden@microbix.com)>  
Business Development Consultant, Microbix (BioLink Steering Group)
- **John Hyshka** <[j.hyshka@phenomenome.co](mailto:j.hyshka@phenomenome.co)>  
Chief Financial and Operating Officer, Phenomenome Discoveries Inc, Saskatoon
- **Tim McTiernan** <[tim.mctiernan@utoronto.ca](mailto:tim.mctiernan@utoronto.ca)>  
Assistant Vice-President Research and Executive Director of Innovations at University of Toronto (President of BioLink)
- **Shane Morris** <[morrish@agr.gc.ca](mailto:morrissh@agr.gc.ca)>  
Geneticist and Senior Technical Issues Analyst, Cross Sectoral Food Industry Affairs Division, Agriculture and Agrifood Canada, Ottawa (BioLink Steering Group)
- **Ashley O'Sullivan** <[ashley.osullivan@agwest.sk.ca](mailto:ashley.osullivan@agwest.sk.ca)>  
President & CEO, AgWest Bio Inc, Saskatoon (BioLink Steering Group)
- **Beulah Bouzane** <[bbouzane@gov.nl.ca](mailto:bbouzane@gov.nl.ca)>  
Director Strategic Policy & Planning, Department of Business, Newfoundland

*NOTE: Beulah is traveling independently. There is a Trade Mission from Newfoundland in Dublin this week and Beulah Bouzane is staying on to visit BioIreland 2006; her main interest is in attracting business investment to Newfoundland.*

- **Dan Lynch** <[daniel.lynch@nrc-cnrc.gc.ca](mailto:daniel.lynch@nrc-cnrc.gc.ca)>  
Industrial Technology Advisor, National Research Council Canada, Industrial Research Assistance Program, c/o Georgian College of Applied Arts and Technology

*NOTE: Dan is traveling independently to follow-up with Enterprise Ireland on preparing a plan to implement the partnering Letter of Understanding signed between EI and IRAP during the October 2006 Trade Mission to Canada. Dan's personal area of expertise is in the Life Sciences sector. Conceptually, any partnering initiated by the BioLink network or through individuals on this visit can be seen as being part of the IRAP agreement, which covers all sectors.*

- **Dave Stewart** from Memorial University, St. John's and **Joe Mulvihill**, Mount Sinai Medical Centre, Toronto, are also visiting BioIreland 2006.
